

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT TACOMA

DONTRAIL MONIQUE LATHAM,

Petitioner,

v.

COWLITZ COUNTY,

Respondent.

No. C15-5462 RBL-KLS

ORDER DECLINING SERVICE AND  
GRANTING LEAVE TO AMEND  
HABEAS PETITION

This matter has been referred to Magistrate Judge Karen L. Strombom pursuant to 28 U.S.C. § 636(b)(1), Local Rules MJR 3 and 4. On July 6, 2015, Petitioner Dontrail Monique Latham filed a proposed petition for writ of habeas corpus. Dkt. 1. On August 31, 2015, Petitioner filed an application to proceed *in forma pauperis* (IFP). Dkt. 4. The IFP application was granted under separate Order. The Court has reviewed Mr. Latham's petition and has determined that it will not direct service of the petition because it appears that he has not yet exhausted his state court judicial remedies.

In his petition, Mr. Latham seeks to challenge his 2012 convictions. Mr. Latham states that he appealed his judgment of convictions in the Washington Court of Appeals and on September 3, 2014, his appeal was denied. He also states that he did not seek further review in the Washington Supreme Court. Dkt. 1, at 2.

1 Mr. Latham is advised that he may pursue federal habeas relief only *after* he has  
2 exhausted his state judicial remedies. *See Preiser v. Rodriguez*, 411 U.S. 475, 500 (1973). The  
3 exhaustion of state court remedies is a prerequisite to the granting of a petition for writ of habeas  
4 corpus. 28 U.S.C. § 2254(b)(1). A petitioner can satisfy the exhaustion requirement by  
5 providing the highest state court with a full and fair opportunity to consider all claims before  
6 presenting them to the federal court. *Picard v. Connor*, 404 U.S. 270, 276 (1971); *Middleton v.*  
7 *Cupp*, 768 F.2d 1083, 1086 (9th Cir. 1985). Full and fair presentation of claims to the state court  
8 requires “full factual development” of the claims in that forum. *Kenney v. Tamayo-Reyes*, 504  
9 U.S. 1, 8 (1992). Mr. Latham’s petition does not indicate that he has satisfied the exhaustion  
10 requirement. Therefore, his petition is subject to dismissal without prejudice.

12 The Court’s form § 2254 petition instructed Mr. Latham that he must state every ground  
13 on which he claims he is being held in violation of the Constitution and for each ground, he must  
14 state the specific facts that support his claim. Dkt. 1, p. 5. He has failed to do so. This  
15 information must be provided before the Court will serve any habeas petition.

17 Finally, Mr. Latham names Cowlitz County as the Respondent in his habeas petition.  
18 Dkt. 1. The proper respondent to a habeas petition is the “person who has custody over [the  
19 petitioner].” 28 U.S.C. § 2242; see also § 2243; *Brittingham v. United States*, 982 F.2d 378 (9th  
20 Cir. 1992); *Dunne v. Henman*, 875 F.2d 244, 249 (9th Cir. 1989). According to his petition, Mr.  
21 Latham is currently confined at the Clallam Bay Corrections Center (CBCC). The  
22 Superintendent of the CBCC is Ron Haynes and therefore, Mr. Haynes is the appropriate  
23 respondent.  
24

25 Accordingly, the Court shall not serve the petition. Mr. Latham shall file by no later than  
26 **October 9, 2015**, an amended petition under 28 U.S.C. § 2254 setting the factual basis for his

1 grounds for relief, showing that his grounds for federal relief have been properly exhausted in  
2 state court, naming the proper respondent, and otherwise showing cause why this matter should  
3 not be dismissed. The Clerk shall send a copy of this Order to Mr. Latham and the Court's form  
4 petition for 28 U.S.C. § 2254 petitions.  
5

6  
7 **DATED** this 11<sup>th</sup> day of September, 2015.
